Information

Usage

Route Optimisation uses our standard credit packs. A vehicle licence option is available for heavy users of the service.

Credit use

Each optimisation request consumes eight credits, plus one credit per waypoint.

Advanced features consume additional credits. Please refer to website for full details.

The small print

Credit packs are valid for 12 months.

Prices include updates for all data sources.

Technical support is included at no additional cost.

Where applicable, VAT will be charged at the prevailing rate.
